Sunday 11th April 2010

Welcome to Kingdom Life Church, it is great to have you with us.

We hope you enjoy the meeting. Our stewards are here to help and will also be pleased to introduce you to one of our Friendship First team members, if you would like someone to chat to.

If you have not already done so, please visit our Information Desk.

The logo for the Fresh Fire Meeting features the words 'FRESH FIRE' in a bold, orange, sans-serif font. To the right of the text is a stylized flame icon in shades of orange and yellow. The background is a light blue and yellow gradient with a faint silhouette of a person's head and shoulders.

Springs Family Centre News

Praise God! We raised just over £6,000 for the years contributions to a CAP (Christians Against Poverty) Centre. Thank you all so much. The proposed opening has been brought forward hopefully now June/July.

Bookings are now being taken for the CAP Money course – this is a three session course on budgeting and how to make your money work. Please telephone the office 01604 630457 to secure your place, or talk to Clive. You must book a place to attend. It is hoped over time that everyone in church will attend one of these courses. They are being held at a variety of times to suit everyone's needs. This is a course you can also book a friend or a colleague onto.

Jobsclub was busy again this week with an interview taking place, application for a job being made and CV being worked on as well as birthdays being celebrated.

NB. Next week Jobsclub is on Friday 16th April 9.30am – 11.00am.

Acts of Kindness

You may have heard testimonies lately of people doing small, kind things for others; giving gift vouchers to strangers, paying for the coffee of the person behind in the queue, mowing a neighbour's lawn...

It has been said that we should 'do something different' in this new season, so how about giving this a go?

For inspiration, try reading '365 random acts of kindness' by Danny Wallace. It is not a Christian book but it is full of lovely ideas. Ask the Lord to show you who you can bless then go ahead and do something to bless them.

Mother Teresa said that "small things done with great love can change the world". We do not all find it easy to knock on doors or go out on the street yet but we can all begin to spread the love of God and change our world with acts of kindness.
